

# FREE SPONSORED AIAG MEMBERSHIP

Automotive Industry Action Group (AIAG) is a member-driven, not-for-profit organization created by the industry, for the industry.

## YOUR MEMBERSHIP INCLUDES THESE BENEFITS, FREE:

AIAG's Board of Director companies are sponsoring FREE membership for direct suppliers under \$20 million in annual sales and diversity suppliers of any size. Why? To provide pervasive access to the best practices, standards, tools and training developed *by the industry, for the industry to reduce risk and achieve more predictable manufacturing outcomes.*

### Practitioner and Enterprise Assessments

Measure your team against industry benchmarks in the Core Tools, Corporate Responsibility, Supply Chain Sustainability, and more.

### Cybersecurity Tools

Comprised of a cyber virtual audit and either a basic or advanced enterprise risk assessment, these tools support industry efforts to protect the supply chain.

### Global Supplier Visibility Map

Find your next customer or manage risk in your supply chain by letting you easily search the name and location of suppliers around the globe.

### Best Practices, eLearning, and Industry Knowledge

Best practices, surveys, white papers, eLearning and more to ensure everyone has the quality, supply chain, and corporate responsibility knowledge they need to succeed.
